

TAX SENIORS / MANAGERS / TECHNICIANS

(File Reference: TAX-2012)

We are conducting search on behalf of our Client, one of Canada's largest Accounting firms to meet the rapidly growing demands of their client groups. They offer auditing, accounting, tax, and business solutions to a diverse group of private sector and public sector organizations.

These positions are based out of their Peterborough and Lindsay offices where you can combine career growth, opportunities for development and advancement, with truly outstanding lifestyle options only Peterborough, Lindsay and the beautiful Kawartha Lakes region can offer.

Working closely with a Tax Partner and other senior tax staff, Candidates will develop and implement tax planning assignments for clients, including:

- Performing technical research, developing and documenting taxplan recommendations.
- Reviewing tax returns and other tax work prepared by staff.
- Supporting and mentoring firm staff in respect of tax matters.
- Identifying client service opportunities.
- Enhancing existing, and developing new, community relationships and networks.

Ideal candidates will have a Canadian CA designation, however, capable and experienced candidates will be considered for a number of roles within this practice group. Other target qualifications and experiences include:

- Enrolment in, or completion of, the CICA In-depth Tax Course.
- At least two years in a tax specialty role focused on privately held commercial clientele.
- Self-motivation with an ability to work both independently and in a team environment.
- Excellent analytical skills and creativity to identify problems and potential solutions.
- Excellent written and verbal communications skills.
- Excellent project management and organizational skills to handle multiple projects with conflicting time lines.
- Experience with MS office, Caseware and tax return and research software.

Total compensation for this role includes a competitive salary, incentives and a comprehensive group benefit program.
